**What I GET
to do....**

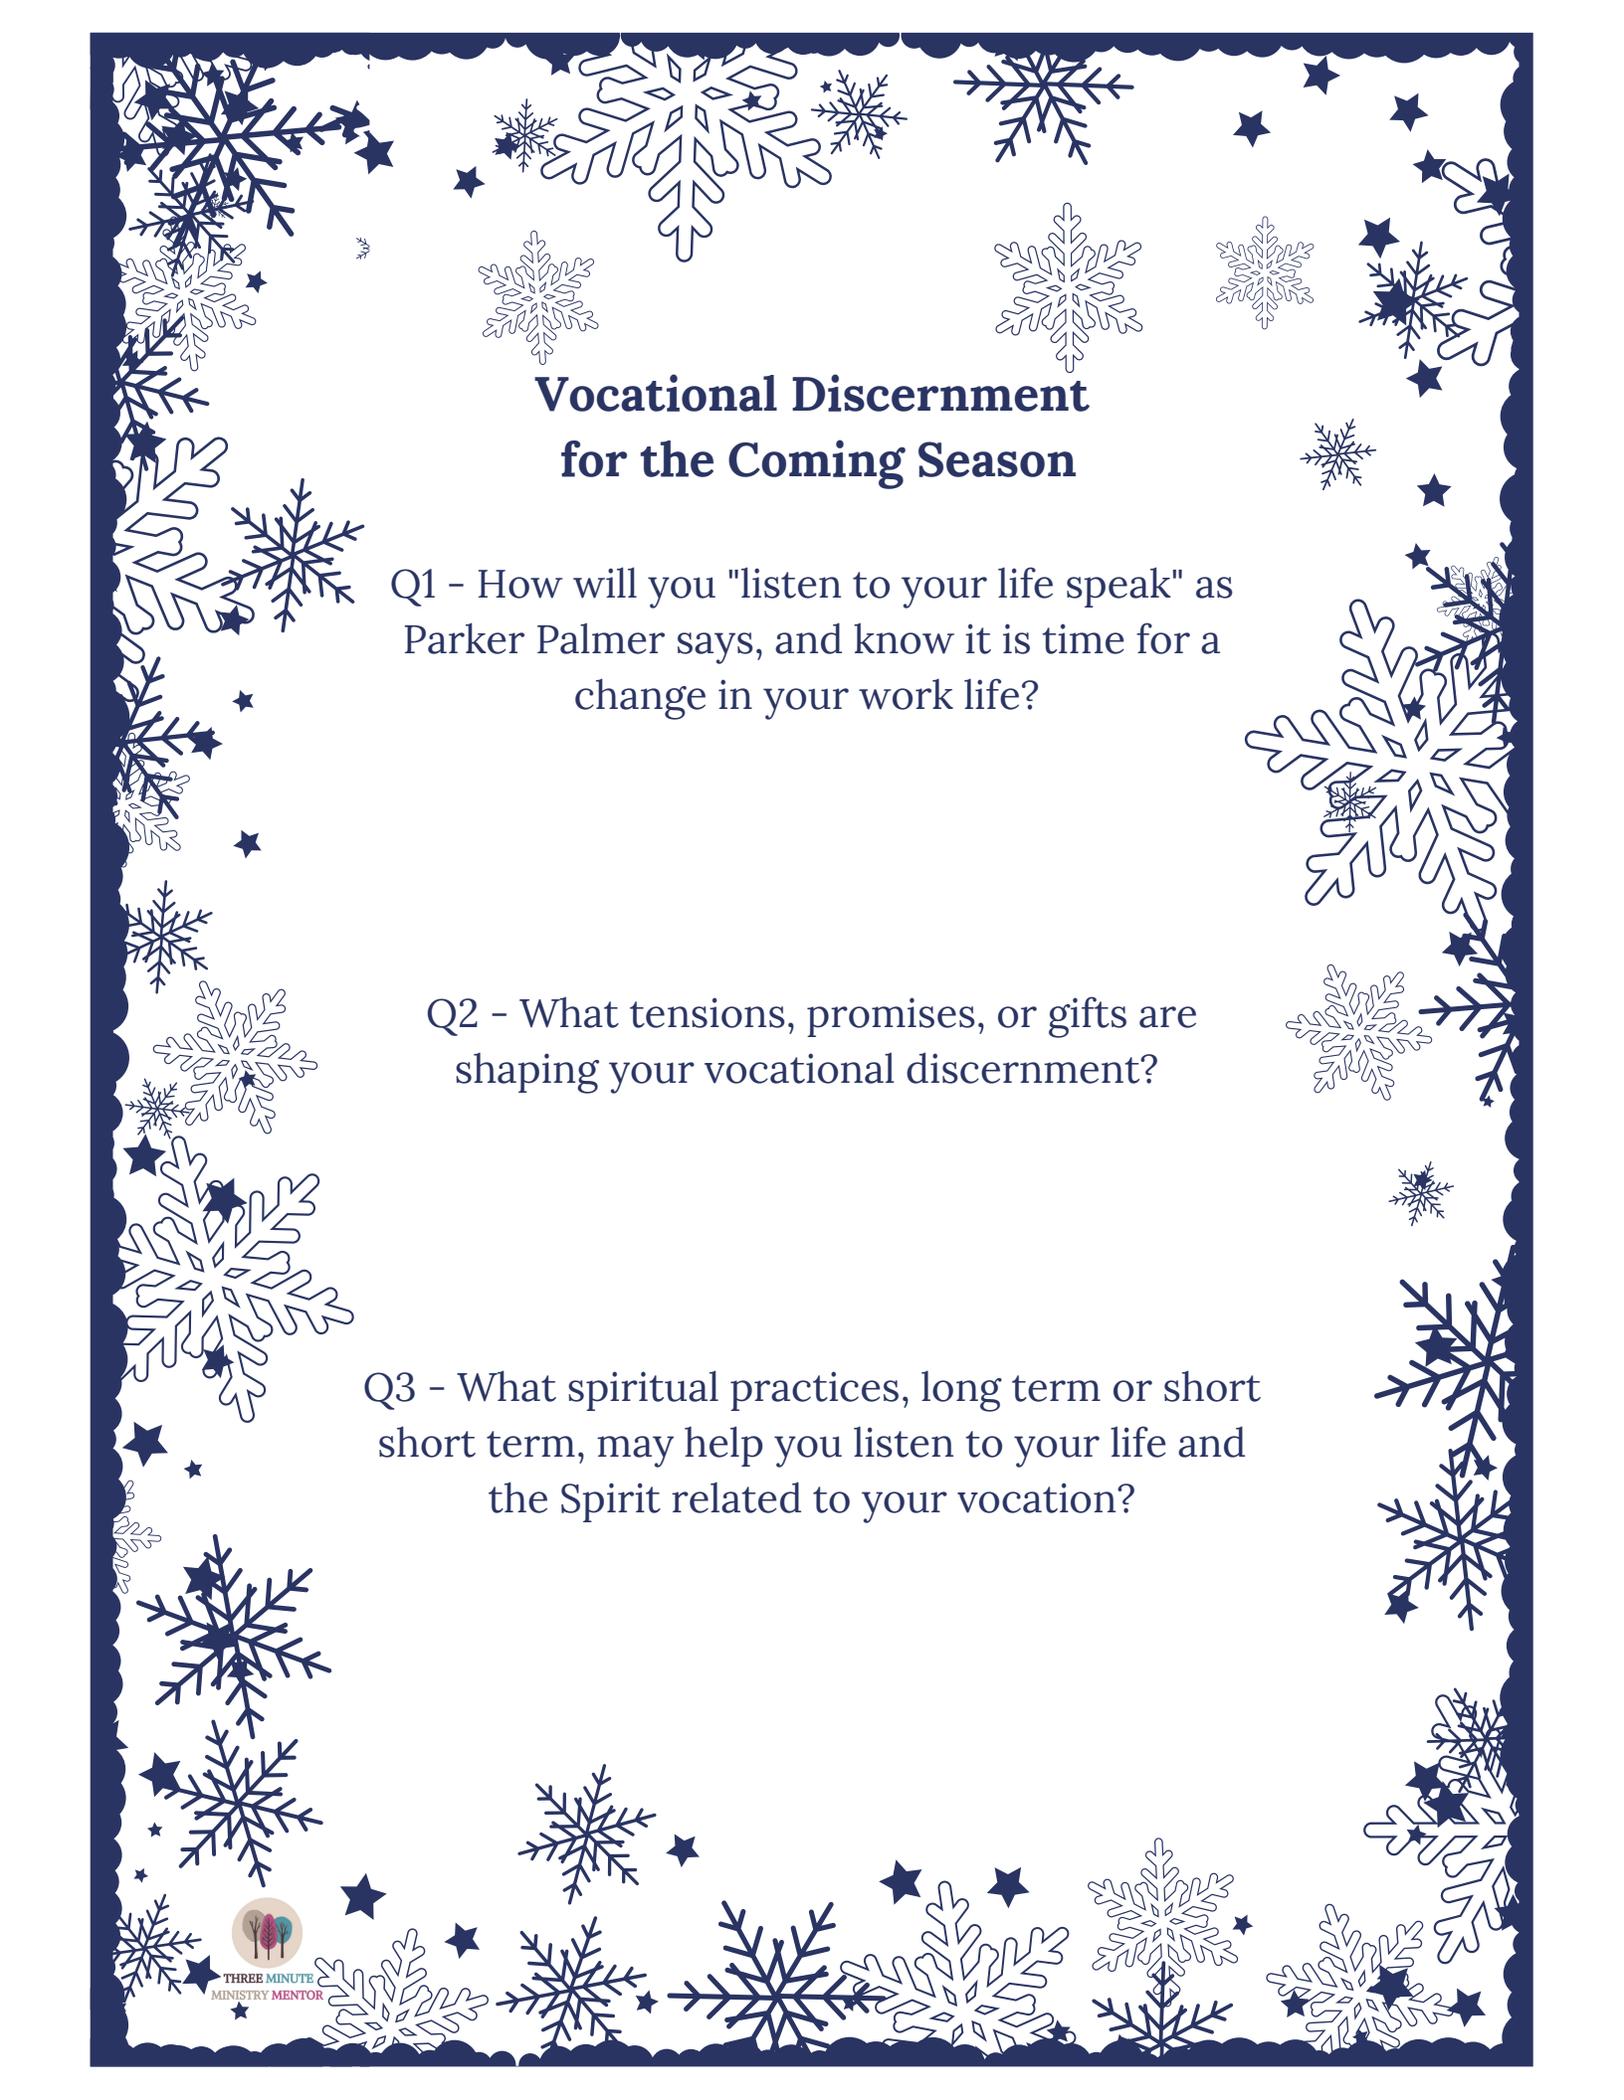

**What I
DON'T GET
to do....**

**What I HAVE
to do....**

**What I DON'T
HAVE to do....**

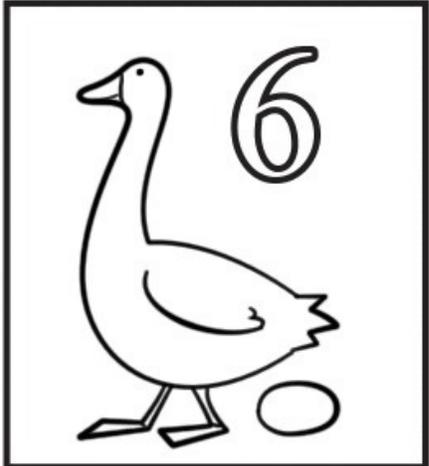

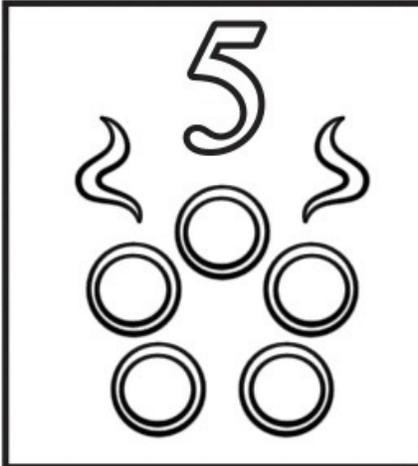

Vocational Discernment for the Coming Season

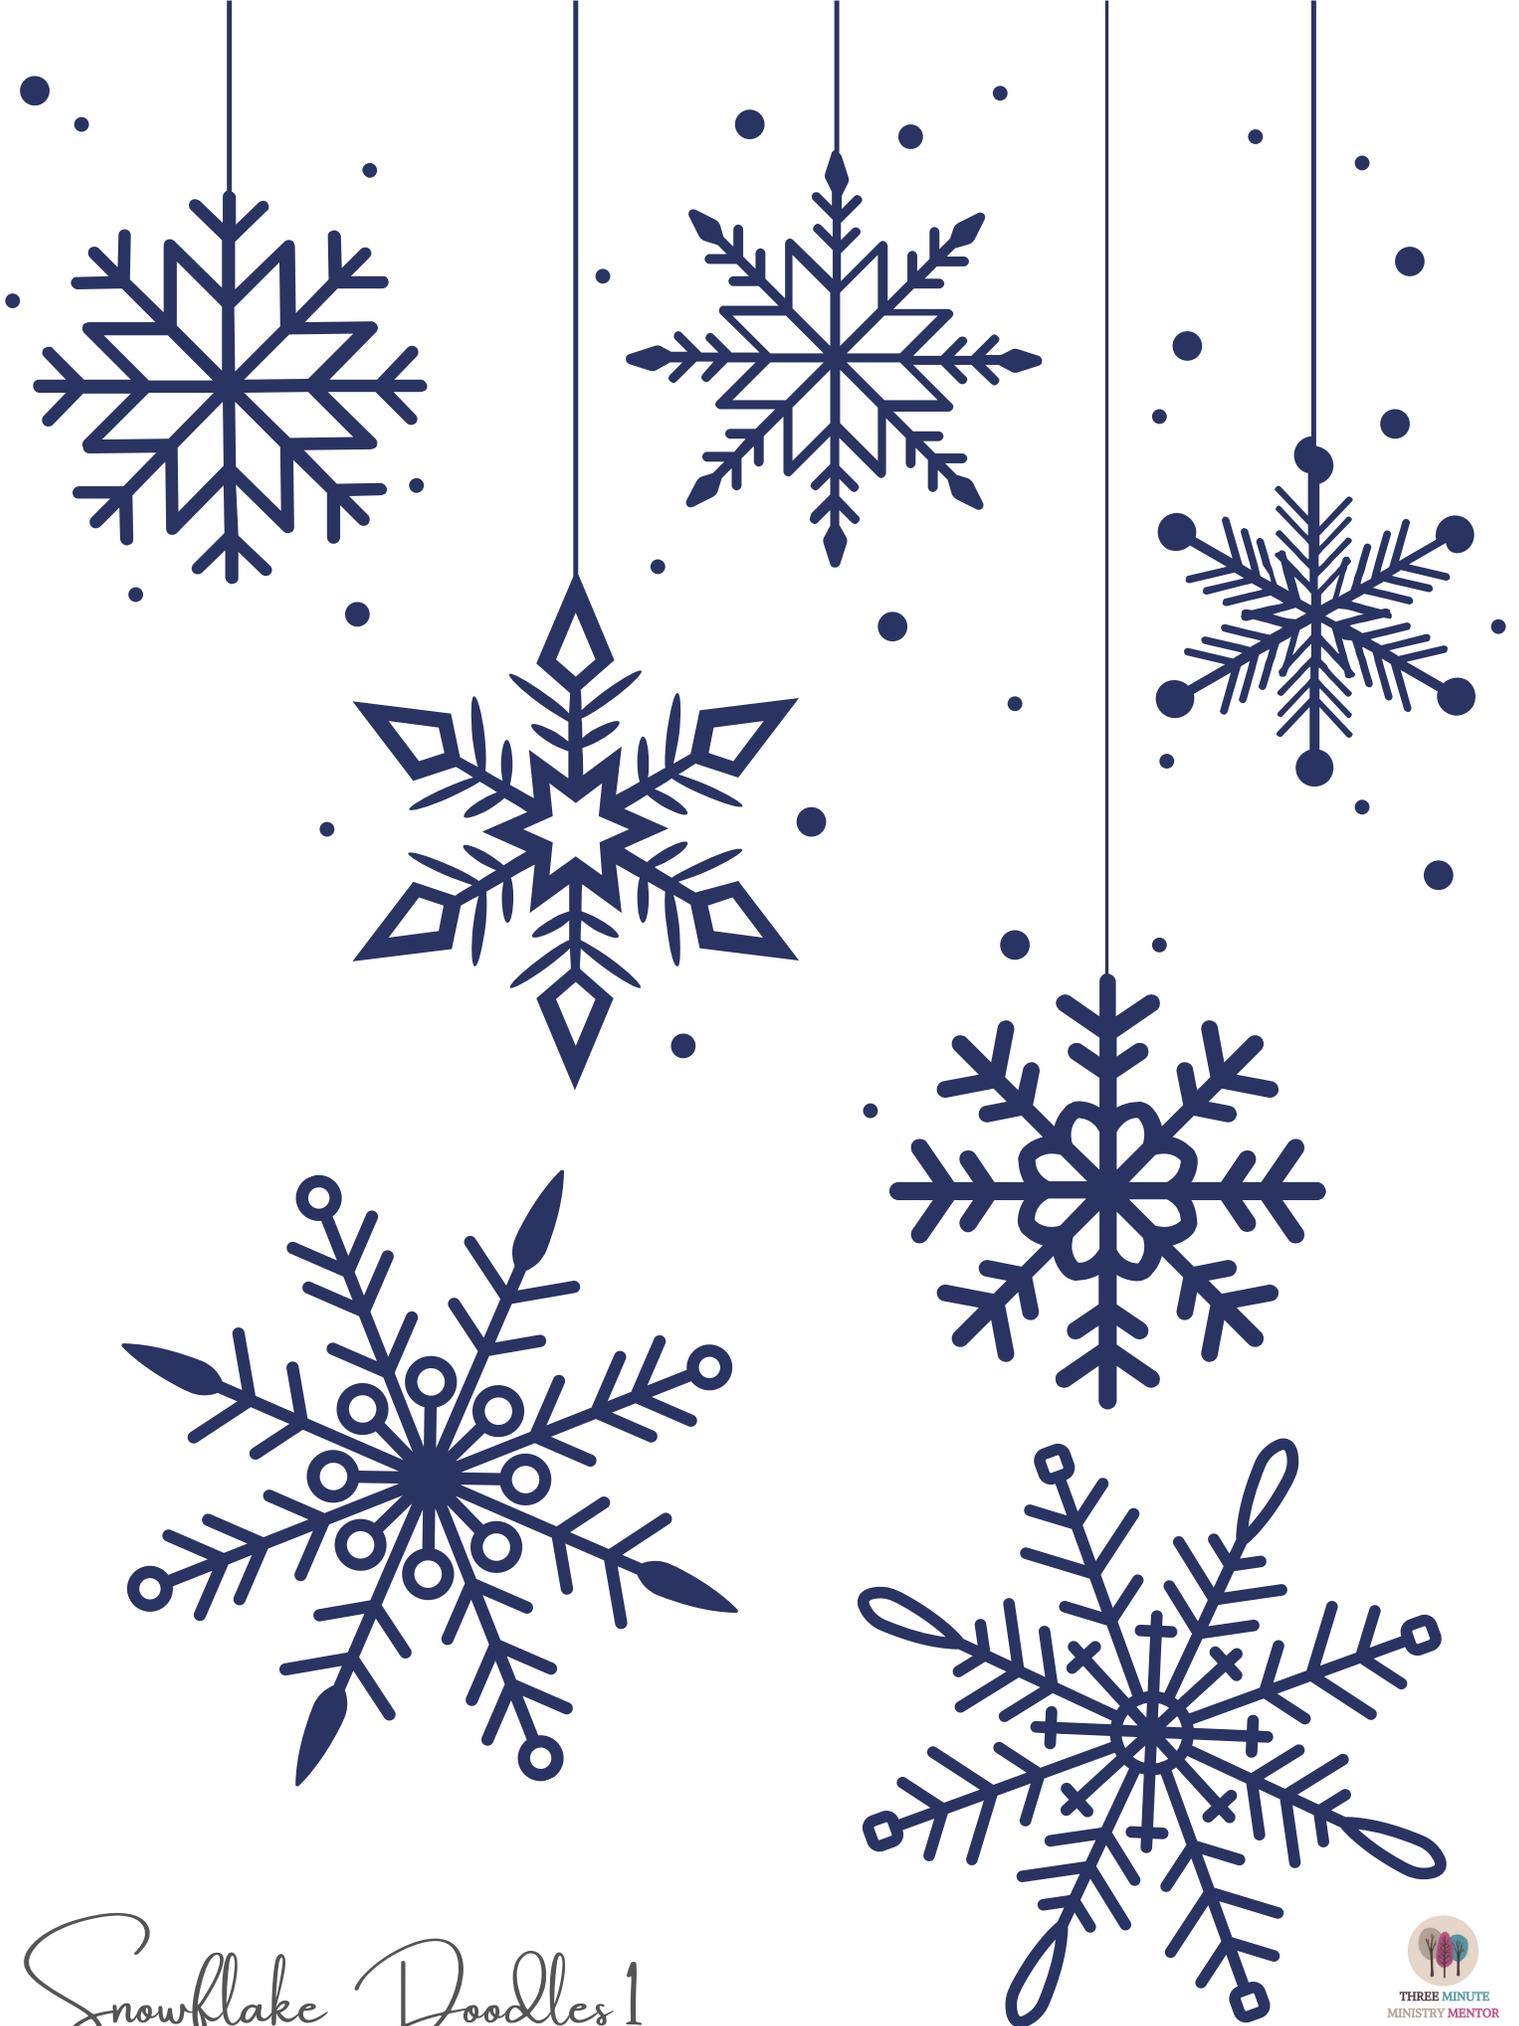

Q1 - How will you "listen to your life speak" as Parker Palmer says, and know it is time for a change in your work life?

Q2 - What tensions, promises, or gifts are shaping your vocational discernment?

Q3 - What spiritual practices, long term or short short term, may help you listen to your life and the Spirit related to your vocation?
